#### **League Fees:**

Player fees vary per sport and division and are outlined during registration. Team captains can make a payment for the team as a whole, however this amount will require them to know how many total players they are going to have on the team, as the fee for each season is a per player fee.

Fees will be due prior to players participating in the league. We recommend this payment is made online before the first game day.

#### **Refund Policy:**

Players may request a refund for registration fees if the player is unable to participate in the season. You must make a written request for the refund to [info@horizonsedgeva.com](mailto:info@horizonsedgeva.com). ALL cash payments will be refunded by check. Players opting to receive account credits will see credits active in their account which shall remain valid for a period of 18 months following their date of issuance.

- If the request is made BEFORE the first game, participants will be charged a 20% administration fee and receive the remaining amount as a refund in the form of the payment taken or are eligible for an account credit in the full amount less a 5% administrative fee.
- If the request is made AFTER the first game has occurred, participants will be charged a 50% cancellation fee for a refund to the payment made, or an account credit less a 25% cancellation fee.

**REFUNDS WILL NOT BE CONSIDERED AFTER THE FIRST TWO GAMES HAVE PASSED.**

#### **Roster, Number of Players, and Substitution on rosters:**

- Team managers are responsible for roster management
- All players must join their team roster through Day Smart

- A player may be replaced in the event of a season ending injury or unforeseen circumstances and must be approved by the Horizons Edge team and league manager.

#### **Weather-Related Delays and Cancellation:**

In extreme weather, games will be delayed. If the weather persists, the games will be postponed. Teams will be contacted shortly after games that have been postponed determining different dates for the game to be played. Lightning delays/cancellation rules will be used if necessary. If a game is delayed, the time of halves may be shortened to remain on schedule. Calls for impending weather will be made in good faith with as much notice as possible.

Horizons Edge will attempt to fulfill requests for a game reschedule so long as we receive notice at least one week prior to the scheduled date and the change does not adversely affect other teams in the league.
